

Socorro Antolin: An Indoor Activity

I learned about Westwinds through Jackie Trowbridge. Jackie and I were both registered in 1998 for a course on Basic Hiking for Women through the City of Calgary's Outdoor Activities program. On a hike which usually takes four hours to complete, you get to know a little about each person in the group. I asked Jackie what she did for a living, and she mentioned Westwinds. Since I didn't know anything about the organization, I asked her a lot of questions. She was full of enthusiasm about this society and told me how anyone with a love of music can learn how to play an instrument, or for that matter, how to sing.

I was fully convinced after talking to her that I'd like to do that when my children were more independent. I joined in 2003, and I truly enjoy being a member of Westwinds.
