Tanya Ginet: Viva Le Band Geek!

I have been a member of the Blue Band since January 2008. I played the clarinet in junior high, and as soon as my parents bought it from St. John's Music I promptly quit band to join drama.

Fast forward 14 years...I am 28 years old and a high school drama teacher. The band teachers at my school play the most fun and beautiful music. Hanging out in the band room made me miss squawking on the ol' clarinet. They suggested Westwinds. I went to the first January rehearsal just to "check it out"...five minutes later I was signed up and ready to play!

I have met such great people, the music is fantastic and it makes each Thursday night a total joy. VIVA LE BAND GEEK!
