

CONCERT DRESS

When performing at Westwinds concerts, each member is expected to dress according to our dress code.

Westwinds *Concert Dress Code* is black on top, black below. Ladies wear black blouse/shirt, black skirt/slacks, black hose and black shoes. NO Sleeveless tops are permitted. Gentlemen wear black long sleeved shirt with black tie (no bow ties) or mock turtleneck, black slacks, black socks, black shoes. This code applies to all groups.

Since we perform under banks of bright lights, large sparkling or coloured jewelry can be a major distraction to the director and to the audience, and should not be worn on stage.

For performances arranged by individual groups, dress may be decided at the discretion of the Director and group members.

Remember that at any performance you will be representing Westwinds Music Society let good taste and discretion be your guide.
