

Eastern Europe Tour

Tours

Westwinds travels! One of the best ways to get involved and meet new people is to join a Westwinds tour. We have travelled to several destinations including:

- 2019 – New Orleans
- 2018 – Ireland and Scotland
- 2015, 2003 – Eastern Europe
- 2013 – China
- 2012 – Maritimes
- 2010 – Spain
- 2008 – Germany
- 2005 – Cuba

Members have the opportunity to propose future tours, so you never know where we will end up next!

Summer Program

During the summer, we offer a variety of workshops for all musicians and singers. If you want to hone your skills or try something new, spend a couple of hours with us in the summer.

Who We Are

We perform concerts throughout the year, and regularly run workshops and international tours.
